

Kenya
Tropical seaLife Ltd

"Africa's Leading Exporter"

30 YEARS EXPERIENCE IN THE INDUSTRY **15 YEARS** OF OPERATION IN KENYA

PREMIUM SERVICES

Our team of sales representatives will always ensure our customers receive professional, knowledgeable, courteous, honest & timely service. Our logistics department has 15 years experience in the industry. This enables us to deliver shipments in excellent condition & ensures that each purchase experience exceptionally great.

SUSTAINABILITY & CONSERVATION

In an aim to support and develop marine resources, fish from Kenya Tropical SeaLife Ltd are captured using **hand-net** techniques and **hook capture** for sharks.

HIGH QUALITY PACKAGING

With experience, we do not leave stone unturned. The expertise to collect, handle & pack all sizes of species with improved techniques & water quality management to ensure healthy fish and better packaging ultimately, enhance value for our fish.

We are Africa's largest wholesale exporter of sustainably sourced wild-caught marine fish, invertebrates and elasmobranch from Indian Ocean to the international leading importers, wholesalers and public aquaria.

We do door to door delivery to public aquarium in:

- Spain
- France
- Germany
- Japan
- Hungary
- Poland
- Belgium
- The Netherlands

CAR DEALER & AUTO REPAIR SHOP AUTO DEALERSHIP MARKETING

ENHANCE A SCENE OF LUXURY AND QUALITY WITH THE USE OF SCENT.

The automotive industry is very competitive. Most customers purchase a car very infrequently and therefore have little loyalty for and purchase cost is high.

We can help you implement a cost-effective marketing and advertising strategy to attract new business and retain your current marketing efforts with your customers.

Quality doesn't mean something is too good to be true. Every great car has great marketing. Marketing is not something you should think about until you are ready to launch your business. Contact us today to see how we can help.

Scents Benefits for car dealership and auto repair shops. Pleasurable atmosphere scent helps to create a pleasurable and calming atmosphere for your potential car and auto dealership and auto repair customers.

Perception of quality scent affects feelings and is able to induce customers.

Increased willingness to buy consumers are more eager to buy and willing to pay more in a scented environment.

Enter in decision making scent can also make consumers to purchase more products and services. Marketing awareness is built to focus on members of the customer. The strongest responses are from the customers who are most likely to help you to make customers coming back to your business.

CLUB SCENT & CASINO SCENT

Improve guests mood & create a feeling of luxury with scent

Having a luxury scent diffused in your casino, hotel, club or gaming area has many advantages. Scent helps to improve guests mood so that they are more receptive to music & have more fun. Scented environment encourages guests to stay for longer and spend more.

Scenting benefits in night clubs, gaming rooms & casinos

INCREASED SALES

Consumers are more eager to buy & willing to pay more in scented environment

PERCEPTION OF QUALITY

Consumers associate scented products and/or experiences as being of higher quality

MEMORABLE EXPERIENCES

Consumers remember scented experiences far more than unscented ones

INCREASED SPENDING OF TIME AND MONEY

Casino scents are proven to result in guest spending more time and money.

EMOTIONAL CONNECTION

As 75% of our emotion are generated by what we smell, scent can help to build a stronger emotional association with brand

IMPROVED GUEST

Mood scented improves guest mood receptive to music & have more fun.

THE TANZANITE
EXPERIENCE

SELECT YOUR PERFECT
JEWELLERY
FROM OUR ONLINE COLLECTION

Exquisite Tanzanite

Tanzanite is only found in Tanzania, in a very small mining area (approx. 7 km (4.3 mi) long and 2 km (1.2 mi) wide) near the Mererani Hills.

The Only Tanzanite Museum

The tour to our museum is free. We suggest you allow a minimum of 45 minutes for the entire tour which includes a cinematic documentary showcasing the history, mystery and rarity of this incredible gem.
